

TEMPORARY EMPLOYMENT

PAYROLLING

Are there times that you may know of someone that you want to hire, but you may need to avoid hiring permanent employees? Well, Parks Professional Placements, LLC has a Payrolling Package where we assume the legal obligations for employee wages, payroll deductions and unemployment insurance and worker's compensation. We become the hiring entity and the employer. It is a no-risk option and you can use this time as a trial period to evaluate their skills and protect your unemployment insurance experience rating. This is a good option for Special Projects, Turnaround and/or Mandated Downsizing.
